SIR

I have the honour to state that Mr Syed Abdul Khader,B A , Special Land Acquisition Officer of this Municipality, submitted a representation in which,he requested that he might be given a C A of Ps 50/- per month on the ground that he had to move about daily to inspect the several properties under acquisition He further asked for the grant of a D A of Rs 50/- per month as in the case of other Assistant Commissioners on similar duty in view of the costliness of living in the Bangalore City The Managing Committee, however, at first, turned down the representation taking the view that there was no precedent and that no special case had been made out, but subsequently, on a further representation of the officer, they referred the matter to the President who was also requested to consider the need for suitably enhancing the C A to the Health Officer and the Municipal Engineer in the light of the present conditions The President(Mr C N Narasinga Rau) prepared a note in which he pointed out that the City had considerably grown in area since 1931 when the present rate of C A was fixed and that the cost of maintaining a Car had increased appreciably owing to the abnormal conditions due to War He therefore recommended that the C A of Rs 75/- per month now drawn by the Municipal Commissioner, the Health Officer and the Municipal Engineer as per G O No L 7741-2/M1-164-30, 2 dated 18-3-1931 ~~the~~ increased to Rs 100/- per month He further recommended that the Special Land Acquisition Officer be granted a C A of Ps 50/- per month as he had to move about in the City at frequent intervals for which he was not entitled to draw any daily allowance under the rules

The proposals contained in the President's Note were approved both by the Managing Committee and ~~the~~ by the Council at their meetings held on 30-11-1944 and 15-12-1944 respectively Copies of the Resolutions of the Managing Committee and Council together with a copy of the President's Note referred to above are herein enclosed for favour of obtaining the Orders of Government in the matter I may add in this connection that the grant of C A to the Special Land Acquisition Officer has to take effect from the date he entered on his duties in this Municipality(10-7-1944) In the case of the other Officers, the date of the Council Resolution may perhaps ~~in~~ be taken for the purpose of sanctioning the enhanced C A

The special Land Acquisition Officer, Bangalore City, had applied for a Conveyance Allowance of Rs 75/- per month and the Managing Committee, at their meeting held on 15-11-1944, have resolved that the President may be requested to put up proposals to increase the C A of the Health Officer, the Municipal Engineer and the Special Land Acquisition Officer.

The Conveyance Allowance that is being drawn by the Municipal Commissioner, the Health Officer and the Municipal Engineer is Rs 75/- P M This is in accordance with the Government Order of 1931 Since that time, the City has expanded in all directions and the limits have also been extended In addition to this, the cost of maintaining the car has also increased due to abnormal conditions It is therefore desirable that the conveyance allowance that is being given to these Officers should be increased.

As regarding the C A to the Special Land Acquisition Officer, has to go round the City inspecting the several properties for acquisition and has therefore to maintain a car for the discharge of his duties. He had applied for grant of C A but the same was turned down by the Managing Committee on the ground that there was no precedent in this behalf And the Officer has asked for reconsideration of the case on the ground that it was impossible to discharge his duties without a conveyance and that the C A asked for may be granted and Rs 50/- may be granted to him
